Why join heartbeat?

Established in 2001, heartbeat is a social network providing natural lifestyle information and events.

- ☑ Connect with others who are actively looking for natural products and services
- ☑ Stay in touch with the latest natural life industry news and information
- ☑ Easily locate businesses offering natural products and services

Our Members

We value privacy so we don't ask personal questions.

Our members have diverse backgrounds and share common interests.

NATURAL CONNECTIONS

- Special offers for natural products & services
- Access to the full heartbeat business database
- Networking for personal and social connections

Members of all ages and backgrounds purchase & invest consciously, choose healthy and discover new natural products & services every day. Our **multicultural community** uses basic or advanced English, lives locally and experiences life globally. Networks include key media, community and businesses actively promoting natural options at every opportunity.

Our Business

At heartbeat we believe in conservation, respect and sustainable business.

We inspire and support individuals and companies to achieve their full potential.

In our fast-paced 21st century, few of life's rules are new - we live by ancient principles.

- Delivering valuable natural lifestyle information that is not readily available in the mass marketplace
- Connecting customers with local companies for sustainable personal and community growth
- Serving a growing interest in fresh & healthy activities, products & services
